

**MOTHER AND CHILD**  
Scott's Emulsion is cod liver oil made almost as palatable as milk. It is easy and soothing to the weak stomach; it checks the tendencies of children toward thinness.

Scott's Emulsion gives strength to weak mothers because it creates healthy flesh and new blood.

Nursing mothers will find a special value in Scott's Emulsion because it insures a flow of rich, nourishing milk for the baby. More and better than a medicine; Scott's Emulsion is a food.

Scott's Emulsion is not a mere extract, containing imaginary "active principles" which do not exist, but is full of actual nourishment which sustains vital force and builds up the body tissues more rapidly than any other known remedy.

## APPEAL OF B. H. WRIGHT Comes Up Today In The Supreme Court.

The Supreme Court sits today. It will hear the exceptions of B. H. Wright to verdict finding him guilty of embezzlement. The appeal of defendants in the foreclosure suit of H. E. Cooper vs. Island Realty Co. and J. A. Gilman is also set for today.

**MURDERED MAN'S ESTATE.**  
Jennie L. T. Chin petitions that Rt. Rev. H. B. Restarick be appointed guardian of Fook Len Lam Chin, Charles Yim Lam Chin and Paul Kim Seong Lam Chin, she being the step-mother of the first two and the mother of the last named. Their father was the late Lam Tshung Chin, who left real property at \$3860, and personal at \$300. The widow also petitions for the appointment of Bishop Restarick as administrator of the estate. Lam Tshung Chin was the insurance clerk for murdering whom a Chinese fellow-countryman is awaiting trial.

**ATTORNEY STRAUSS RELEASED.**  
Leon Strauss, attorney, was released from prosecution for embezzlement by Attorney General Andrews yesterday. The charge was that he had received \$22.50 from August Johansen to bring a divorce suit, but neither did the work nor returned the money. Strauss having paid the amount into court, the Attorney General entered a nolle prosequi.

**COURT NOTES.**  
Judge Gear approved the accounts of Cecil Brown, executor of the estate of J. H. Harrison, ordering him discharged upon filing receipt of devisee for \$377.13 and for the personal property of the estate. The estate consists of interests in vessels of Allen & Robinson's fleet.

Chock Cheong has withdrawn his appeal from conviction of selling liquor without license at Waiakane.

EVERY COMMUNITY has been benefited by the introduction of Chamberlain's Colic, Cholera and Diarrhoea Remedy into this country. There is scarcely a neighborhood but that someone can be found whose life has been saved by its use. It is the best known medicine for all forms of stomach and bowel troubles. It never fails to give immediate relief and can always be depended upon. For sale by all Dealers. Benson, Smith & Co., Ltd., Agents for Hawaii.

## THE WILCOX SALE PANS OUT WELL

Jas. F. Morgan's auction room was packed with people, including many wealthy and otherwise prominent citizens, at noon yesterday on the occasion of the executor's sale of property of the late Judge W. Luther Wilcox. W. O. Smith, executor, stayed by Mr. Morgan giving information throughout. The prices realized were very good considering the changed conditions of the real estate market from a few years ago.

George N. and A. S. Wilcox of Kauai, brothers of the deceased, bought the Waikiki beach residence for \$5900, an adjoining lot for \$6500; the Queen street warehouse site for \$4200, the Kalihi house and lot for \$1550 and the interest in the late Abner Wilcox's estate for \$4300.

The Kalihi poi factory was purchased for \$11,522 by E. Waterhouse and wife. S. M. Bullou bought the Tantalus lot for \$2500.

Mrs. Nakuna was the purchaser of land at Pakoo, Molokai, for \$325, and Mr. Devauchelle another Molokai parcel for \$710.

The Hawaiian Land and Improvement Co. bought two lots at Pearl City for \$310, and Mrs. Mary E. Foster the interest in a hut at Kahana for \$725.

The aggregate realization was \$38,542.

**OF THE MULTITUDES**  
who have used it, or are now using it, we have never heard of any one who has been disappointed in it. No claims are made for it except those which are amply justified by experience. In recommending it to the afflicted we simply point to its record. It has done great things, and it is certain to continue the excellent work. There is—we may honestly affirm—no medicine which can be used with greater and more reasonable faith and confidence. It nourishes and keeps up the strength during those periods when the appetite fails and food cannot be digested. To guard against imitations this "trade mark" is put on every bottle of

"Wampole's Preparation," and without it none is genuine. It is palatable as honey and contains the nutritive and curative properties of Pure Cod Liver Oil, extracted by us from fresh cod livers, combined with the Compound Syrup of Hypophosphites and the Extracts of Malt and Wild Cherry. Taken before meals it creates an appetite, aids digestion, renews vital power, drives out disease germs, makes the blood rich, red and full of constructive elements, and gives back to the pleasures and labours of the world many who had abandoned hope. Doctor S. H. McCoy, of Canada, says: "I testify with pleasure to its unlimited usefulness as a tissue builder." Its curative powers can always be relied upon. It makes a new era in medicine, and is beneficial from the first dose. "You can trust it as the Ivy does the Oak." One bottle convinces. Avoid all unreliable imitations. Sold by chemists throughout the world.

## To Be Depended On

Because It Is the Experience of a Honolulu Citizen and Can Readily be Investigated.

A stranger lost in a large city would place far more dependence on the directions given him by a local resident than the guidance of another stranger like himself. This is a natural consequence of experience; it's like a ship in a strange port—a trusty pilot familiar with the harbor is always called upon to bring her safely to her moorings. So it is with endorsement; we doubt the sayings of people living at a distant point because we can't investigate, but public expression of local citizens can be depended upon, for 'tis an easy matter to prove it. Evidence like the following is beyond dispute:—  
Mr. W. F. Williams of this city, is a light-house keeper, and he has held this position for the last 30 years. He says: "I was for a number of years, one of that numerous army of people who suffer with their backs. Mine ached and pained me to no small extent, so that I was glad when I heard of a remedy for it. Doan's Backache Kidney Pills. I obtained some of these at the Hollister Drug Co.'s store, and took them. They gave me great relief, and I make this short narration of my experience for the benefit of others who perhaps do not know that nearly all backache arises from the kidneys, and the best medicine for it is Doan's Backache Kidney Pills."  
Doan's Backache Kidney Pills are 50 cents per box, for sale by all druggists; sent by mail on receipt of price by the Hollister Drug Co., Honolulu wholesale agents for the Hawaiian Islands.

## SALARIES FIXED FOR LAND COURT

When the Legislature, at the special session, rescued the Land Registration Court from premature extinction, it did so by voting a lump sum for its sustentation. Out of the appropriation it was provided that the Governor fix the necessary salaries. Yesterday Acting Governor A. L. C. Atkinson made an executive order fixing the salary of Judge Philip L. Weaver at \$150 a month and that of Registrar William Savidge at \$75 a month.
